### COLLEGE PROFILE

International College of Nursing is the result of highly educated social thinkers and administrators who intend to impart a highly professional, skilled training in medical and para-medical field.

## Profile of the College

Sikh Educational Forum Tarn Taran after having opened Mai Bhago International Public School in the year 2011 and getting the affiliation from Council for the Indian School Certificate Examination (I.C.S.E New Delhi) thought of opening Punjab College of Law in the area so that the students may get the opportunity to opt for professional courses in which they may be able to stand on their own feet and can go for professional life. In the current scenario of depleting services both in the government as well as private areas, the idea of opening the law college was proposed by the members of Sikh Education Forum in March 2015 following which elaborate meeting were held and members were requested to look for the resources for opening the law college. After having positive response from all the members, the construction of the building of Punjab College of Law was started and completed within period of five months.

Thereafter application was submitted to the Punjab Govt. for grant of N.O.C. Also application for grant of affiliation was submitted with G.N.D.U. Amritsar. Finding the infrastructure fit and 'A' class both Govt. as well as University accorded recognition to the Punjab College of Law.
